Subject: Parks 5 year master plan meeting

All,

The Terre Haute Parks along with Purdue Extension will be meeting Wednesday, May 17 at 1pm, at City Hall (board of public works and safety meeting room) to start discussions for the 5 year master plan. I would like to invite all of you to be involved in the discussions. (sorry for the late notice)

The new 5 year master plan will be discussed during 2017 and will go into effect starting in 2018. If you cannot make tomorrow's meeting, I will continue to invite all listed to future meetings.

I hope to see you tomorrow or at future meetings.

Thank you

Eddie Bird
Superintendent of Parks and Recreation
Cemetery Superintendent
